Dear Sponsor,

On Sunday, May 5th, First Unitarian Universalist Church of Wichita will host EcoFest Wichita 2019 as part of its campaign to create environmental awareness and promote sustainability. This fifth annual family-friendly festival will offer activities and products designed to inspire and empower people to live green. EcoFest will showcase environmental stewardship and eco-innovation through demos, vendors, food, music, art, and fun activities for all ages. We welcome participants from any organization that provides products and/or services that contribute directly to environmental sustainability.

We invite you to be a sponsor of EcoFest Wichita 2019. Your sponsorship can be monetary or in-kind. In addition to being listed on advertising and promotional materials as a sponsor, you will have the opportunity to host a booth at the event to display products and disseminate information.

This is a great opportunity for you to receive exposure as a green business and a friend of the environment. We hope to have the opportunity to visit with you in person about the benefits of sponsorship. In the meantime, feel free to call or email us with any questions.

If you have already decided you want to participate in this event, you may complete the enclosed sponsorship form and return to us. You may also register on-line at ecofestwichita.org by using PayPal.

Sincerely,
